Dear Head Teacher,

I am writing to inform you that a percentage of our School Nurses will be participating in the Mass Immunisation Programme for H1N1 (Swine flu) over the next few weeks. You will, therefore, notice a reduction of our input into schools and some of our regular activities over this period.

We are sorry to cause you any inconvenience but are sure that you will recognise the importance of this campaign.

If you have any concerns or queries, please contact the above telephone number.

Yours sincerely,

Claire Halcrow
Family Community Services Manager
Health Visiting and School Nursing Service
